RE IEP/IFSP Health Related Services Procedure Code Changes

---

On a transmittal from DHMH dated February 9<sup>th</sup>, 2004, re: IEP/IFSP Health Related Services and Autism Waiver Procedure Code changes, the procedure code for Case Management, per month was inadvertently listed as "T2002" and should be listed as "**T2022**" on page 3 in a chart labeled Service Coordination/Case Management. Please see the attached chart that has been revised to reflect the correct code for ongoing service coordination.

Those of you who had denied claims for procedure codes "97001" and "97003", "T1023-TG", "T1023", "T2022", because you used "99" as the place of service can resubmit those claims for payment since that particular problem has been resolved. The place of service "99" is the appropriate code to use. We had to update our system with this code. Mental health claims that were denied using procedure code "H0046" can also be resubmitted since the billing error with this code has been resolved.

Thank you for your patience as we transition to using the new procedure codes. If you have questions, contact the staff specialist for School Health Services at 410-767-1485 (charven@dnhm.state.md.us).
